

LOW - VOLTAGE PENDANTS

Moxy Pendant LED T20

DESCRIPTION

The Moxy pendant light by Tech Lighting is small, versatile and strikingly elegant. The slim metal body is accented by an optic-grade acrylic diffuser which features sixteen tiny facets to create depth and dimension. The Moxy can be installed alone for a minimal statement or in clusters at varying heights for a dramatic impact. This small pendant scales at 5.7" in length and 0.8" in diameter making it an ideal size for closet lighting, bath lighting flanking a vanity or bedroom lighting. For even greater design customization pair the Moxy with the Monopoint system by Tech Lighting. The Moxy ships with a fully dimmable LED lamp allowing you the ability to customize the light tones to your desired ambiance. Includes 1.2 watt, 64 delivered lumen, 2700K LED module and six feet of field-cuttable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on transformer).

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).

ACCESSORIES & OPTICAL CONTROLS

Swag Hook

WEIGHT

0.23lb / 0.1kg ±
