

Paige Pendant LED SORAA T20

DESCRIPTION

The natural beauty and dramatic movement of wind-over-water are captured in this hand-blown glass pendant. Swirl textures created by a unique crackle technique during the finishing process, the Paige emits a beautiful glow through the clear or smoked glass. The perfect accent piece to your kitchen, vanity and bathroom. Light emits through two available glass finishes, smoke and clear, and an inner opal glass diffuser further accentuates the patterns and softens the light. Includes (1) 35 watt low-voltage GY6.35 base Xenon bi-pin lamp or 8 watt replaceable 500 lumen 90 CRI 3000K LED SORAA® module and 6' of field-cutable suspension cable. For use with 24 volt transformer, add suffix '-24' to item number (LED lamp option is not compatible with 24 volt transformers). Works with SORAA.
