

LOW - VOLTAGE PENDANTS

Piper Pendant

DESCRIPTION

The Piper pendant light from Tech Lighting is simple and sleek with its cylindrical design. This highly contemporary pendant is available in five on trend colors, three hardware finishes and your choice of lamping options including energy efficient LED or no-lamp, leaving you the choice to light this fixture with your preferred lamping. Due to the Piper's sleek style, the downward firing light provides crisp task lighting to surfaces below. The Piper is ideal for kitchen island task lighting, bedroom lighting flanking end tables and a host of commercial applications. Rated for (1) Low-Voltage, 50 watt max, bi-pin lamp/Dimmable with low-voltage electronic or magnetic dimmer (based on transformer)(Lamp Not Included) LED includes 12 volt 8 watt 435 delivered lumens, 3000K, replaceable SORAA® LED module and six feet of field-cuttable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on transformer). Works with SORAA.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system.
