

LOW - VOLTAGE PENDANTS

Playa Pendant

DESCRIPTION

The Playa pendant by Tech Lighting is an elegant multi-toned shade that is composed of natural shell panels that are burnished to remove rough edges. Artisans polish and cut to size the meticulously adhered shell panels to an inner glass cylinder. The Playa is available in three neutral yet modern colors and come with your choice of four on-trend hardware finishes. The Playa ships with your choice of either energy efficient LED and halogen lamping, both lamp options are fully dimmable to create the desired ambiance in your unique space. The modestly sized Playa pendant is ideal for kitchen island task lighting, bedroom lighting flanking an end table or dining room lighting. Includes low-voltage, 50 watt, 750 gross lumens, halogen bi-pin lamp. LED includes 120 volt 8 watt, 500 gross lumen, 3000K, replaceable SORAA LED module. Ships with six feet of field-cutable cable. Dimmable with low-voltage electronic dimmer (based on transformer). Works with SORAA.
