

# WALL COLLECTION

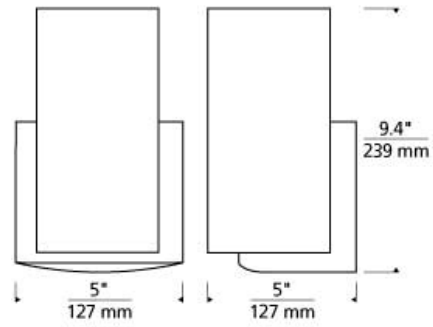

## Playa Wall LED EN\* T20

### DESCRIPTION

The Playa wall sconce light by Tech Lighting is an elegant multi-toned shade that is composed of natural shell panels that have been burnished to remove rough edges and create a smooth neat finish. Artisans polish and cut to size the meticulously adhered shell panels to an inner glass cylinder. The Playa is available in three neutral yet modern colors and comes with your choice of four on trend hardware finishes. Available lamping options include energy efficient LED or no-lamp, leaving you the option to light this fixture with your preferred lamping. This modestly sized wall sconce is ideal in places such as hallways, bathrooms and bedrooms. Rated for (1) 60w max, E26 medium based lamp (Not Included). LED version includes (1) 9.5 watt 574 delivered lumens, 2700K, medium base LED A19 lamp. Dimmable with low-voltage electronic dimmer.

brown
