Pull Large Wall

DESCRIPTION

Inspired by mid-century modern design, the Pull is both fun and functional with its clean lines and nearly limitless uses. The seamless metal shade is painted in an indulgent rubberized matte finish while the fabric cord adds both a pop of color against the monochromatic shade and also serves as the "pull" to turn the LED lamping on and off. Mounts up only. Includes 8 watt, 400 lumen, 3000K LED module. Dimmable with low-voltage electronic dimmer. ADA compliant.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
