

LINE - VOLTAGE PENDANTS / SUSPENSION

Reece Pendant

DESCRIPTION

The Reece pendant light from Tech Lighting prominently features a beautiful orb of thick, rough molded glass that has undergone a meticulous hand polishing process by the talented hands of European artisans to create dozens of irregular facets on its outer surface. Its mild scale and choice on-trend glass colors like transparent smoke and transparent steel blue make it a great option for contemporary kitchen island lighting, dining room lighting or bathroom lighting. Light that emanates from the warm, vintage radio tube inspired LED lamping is gently refracted as it passes through the faceted transparent glass shade for awe-inspiring visual interest. Includes low-voltage, 2 watt, 155 delivered lumen, 2200K or 2700K E12 base LED vintage tubular lamp. Fixture provided with six feet of field-cuttable cable.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box.

WEIGHT

3.2-3.2lb / 1.45-1.45kg ±

smoke

steel blue
