

Refuge Round Outdoor/Wall

DESCRIPTION

The Refuge Round LED outdoor light from Tech Lighting exudes clean contemporary styling while projecting a warm, multidimensional glow indoors or out. The smart combination of a semi-enclosed, one-piece round metal shade and a contrasting elongated rectangular molded glass diffuser create an alluring visual effect sure to add a beautiful decorative element to your exterior façade that is equally functional. Two size options allow this outdoor light to be adapted to a variety of outdoor lighting applications such as front door lighting, entry lighting and garage lighting and each are fully dimmable for creating the desired ambiance indoors or out. Includes 6 watt, 192 delivered lumen, 2700K LED module. Mounts up only. ADA compliant. Dimmable with low-voltage electronic dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
