

BATH COLLECTION

Revel Linear Wall

DESCRIPTION

Captures light in motion. The sleek metal surface is laser-cut with several horizontal slots which allows light to shine through the inner white acrylic diffuser. The diffuser wraps around the inner top and bottom to conceal the hardware and lamping when viewed from any angle above and below or if mounted vertically, both sides. Included wood end caps complement the design with a touch of warmth in an unexpected way. May be mounted horizontally or vertically. Includes two 14 watt T5 linear fluorescent lamps (electronic ballast included) or 19 watt, 800 lumen, 2700K LED strip. LED version dimmable with low-voltage electronic dimmer. ADA compliant.

INSTALLATION

Mounts to a standard 4" square junction box with round plaster ring (provided by electrician).

WEIGHT

4-5lb / 1.81-2.27kg ±

satin nickel

antique bronze with metal trim

satin nickel with walnut wood trim
