

LINE - VOLTAGE PENDANTS / SUSPENSION

Ryker Pendant

DESCRIPTION

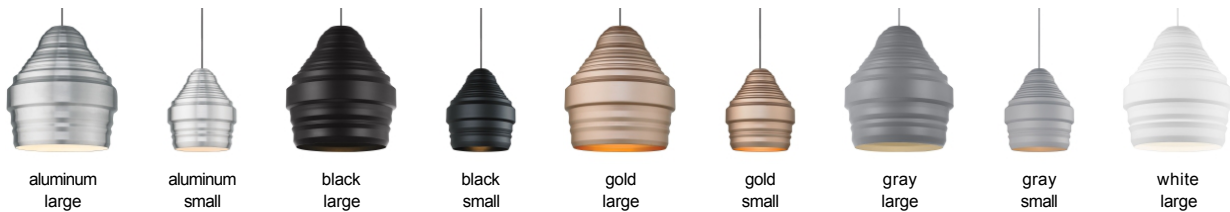

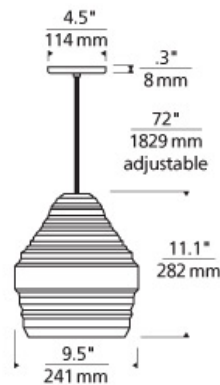

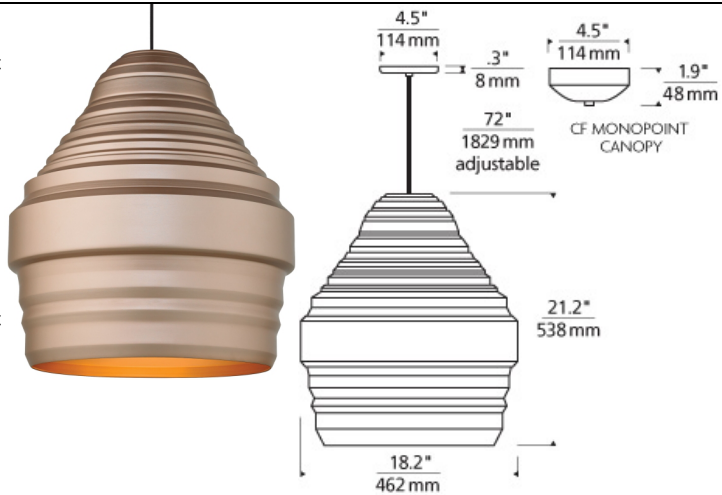

The Ryker pendant light by Tech Lighting is elegantly simple yet visually complex. The complex scale and silhouette combine to give you a fresh take on a large, warehouse-inspired design. The spun metal shade's crisp inflections are softened by a matte rubberized finish to complete the modern industrial aesthetic. This large pendant scales at 21.2" in length and 18.2" in diameter making it ideal for bathroom lighting, dining room lighting and kitchen island lighting. The Ryker ships with your choice of incandescent or LED lamping. Both options are fully dimmable to create the desired ambiance in your special space. Small incandescent version includes 53 watt, medium base halogen A19 lamp. Large incandescent includes 150 watt G40 globe lamp. Small and Large LED versions include 19 watt, 1680 delivered lumen, 2700K, medium base LED A21 lamp. Incandescent version dimmable with standard incandescent dimmer. LED version dimmable with an LED compatible dimmer. Consult lamp manufacturer for more information. Fixture provided with six feet of field-cuttable cloth cord to match finish selection.
