

WALL COLLECTION

Sedona Wall

DESCRIPTION

The mild scale of the Sedona wall sconce light from Tech Lighting doesn't even begin to inhibit this LED wall light from making a dramatic statement, particularly when used in conjunction with complementary Sedona pendants or Sedona chandeliers for a unified contemporary lighting scheme. While each transparent clear and transparent smoke glass orb is perfectly spherical and smooth on the exterior surface, the interior surface features gradually thickening bands of glass which are artfully crafted by talented artisans to add a warm alluring visual interest to your space. Two, fully dimmable vintage tubular style LED lamping options are not only energy efficient, but also allow you to customize this LED wall sconce light to your desired ambiance. Includes 3.5 watt, 300 delivered lumen, 2200K or 2700K, E12 base LED vintage tubular lamp. Mounts up or down.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

WEIGHT

4.7-4.7lb / 2.13-2.13kg ±
