

BATH COLLECTION

Span Bath

DESCRIPTION

The Span Linear by Tech Lighting is an ultra-thin architectural fixture that utilizes a backbone of edge-lit guide technology. Appearing as a silhouetted plate of frosted acrylic when off then illuminates across the entire surface as if the light is coming out of thin air. This ultra-modern linear fixture is available in two on-trend finishes, Satin Nickel and Matt Black. The Span Linear scales at 5/8" in height and 48" in width making it ideal for dining room lighting, conference room lighting and hospitality lighting applications. The integrated LED lamp is fully dimmable to create the desired ambiance using a low-voltage ELV or Triac dimmer. 2' version includes 26 watt, 1215 delivered lumen; 3' version includes 39 watt, 1820 delivered lumen, 4' version includes 52 watt, 2430 delivered lumen, 3000K LED module. Dimmable with low-voltage electronic dimmer. Mounts horizontally or vertically. Direct or Direct/Indirect light distribution options.
