

Spur Pendant

DESCRIPTION

The Spur LED pendant light from Tech Lighting wholly modern interpretation of a mini chandelier. This delicately scaled pendant features five glass spurs extending dramatically in opposing directions, each illuminated by a compact, diffused LED light source for a totally modern look. Use with Tech Lighting Monorail over a kitchen island or dining table or combine both sizes using Tech Lighting Freejack Canopy systems to create a custom chandelier perfect for your special dining or living space. If you have something larger in mind, the Mara pendant light is the smallest in a family of three modern chandeliers available from Tech Lighting – simply search for Spur chandelier to find its close relatives. Includes (5) 2.5 watt, 91 delivered lumen (457 total delivered lumens), 2700K LED modules. Fixture provided with six feet of field-cutable cable. Dimmable with low-voltage electronic or magnetic dimmer (based on transformer).

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).

WEIGHT

1.8-1.8lb / 0.82-0.82kg ±

frost / aged brass frost / satin nickel
