

LINE - VOLTAGE PENDANTS / SUSPENSION

Stratton Pendant

DESCRIPTION

The ultimate marriage of industrial design and modern elegance starts with a large-scale, hand-blown glass shade and ends with a decorative metal housing garnished with a riveted canvas detail. The light source is hidden inside the metal cap leaving the beautiful, transparent Italian glass left uninterrupted. A hexcell louver sits below the light source to eliminate glare when viewed from below. Small includes 120V, 39 watt Halogen PAR 20 lamp or 15 watt, 260 net lumen, 2700K or 3000K field replaceable LED module. Large includes 120V, 60 watt Halogen PAR 30 lamp or 22 watt, 500 net lumen, 2700K or 3000K field replaceable LED module. Fixture provided six feet of field-cuttable cloth cord to match finish selection. LED version dimmable with low-voltage electronic dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

WEIGHT

13.80lb / 6.26kg ±
