

# LINEAR SUSPENSION

## Surge Linear Suspension

### DESCRIPTION

The graceful force of ocean waves is captured as each of its individual bands gently undulates and combines to form a striking and powerful fixture—further enhanced by its ultra-slim LED profile. Downward and upward facing LED strips provides downlight and uplight to create layers of illumination. To empower lighting designers to create unique applications, fixtures can be linked together end-to-end to create longer, continuous runs using optional Mechanical Connector. Includes 75 watts of LED (63 watts, 4200 net lumens of downlight and 12 watts, 800 net lumens of uplight), 3000K. Ships with field-cutttable cable. Dimmable with low-voltage electronic dimmer.

### INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

### WEIGHT

21.00lb / 9.53kg ±

satin nickel

white
