

Tegel 12 Outdoor Wall LED T20

DESCRIPTION

Subtle, understated modern design characterizes Tegel outdoor LED wall sconces by Tech Lighting. Providing well-controlled up and down lighting, or down light only, Tegel wall sconces provide accent and ambient illumination with a choice of 10 degree or 36 degree optic beam spreads. The contemporary Tegel sconce design is available in two sizes. 12 and 18 inches tall. These rugged outdoor light fixtures feature a durable, marine grade powder coat finish available in three finishes. Charcoal, Bronze, and Gray. Tegel wall sconces feature stainless steel hardware and impact-resistant, UV stabilized acrylic lensing for added durability and stability.
