Tibor Pendant

DESCRIPTION

The LED source is hidden inside the upper metal cap and shines brightly through the extravagant, hand-faceted solid crystal for a strikingly dramatic effect inspired by the clean lines of ice formations. Includes 6 watt, 300 delivered lumen replaceable LED module and six feet of field-cutable suspension cable.

INSTALLATION

Socket terminates with FreeJack male connector, which may be installed into a system connector. Elements ordered with a system prefix include a connector for that system. For use on T~TRAK, order FreeJack version and T~TRAK FreeJack Connector (sold separately).
