

## Two-Circuit T~TRAK 4" Round Power Feed Canopy With Connector

### DESCRIPTION

Power feed canopy mounts to a ceiling junction box located directly above the track and is used to power system while joining sections of Two-Circuit T~TRAK™ together end to end. Select the appropriate length to match the specified drop for the system. Lengths longer than 2" are field-cuttable. For projects designed to meet energy efficiency standards determine the maximum amperage required on the circuit and specify the correct current limiter.

### INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box (not included).

### WEIGHT

1.42-6.22lb / 0.64-2.82kg ±
