

# 4" Round Power Feed Canopy with Connector

tt\_4in\_rd\_pfcpy\_con\_spec.pdf

Shown approximately 20% actual size.

### DESCRIPTION

Power feed canopy mounts to a ceiling junction box located directly above the Single-Circuit T~TRAK™ and is used to power system while joining sections of track together end to end. Select the appropriate length to match the specified drop for the system. Lengths longer than 2" are field-cuttable. **For projects designed to meet energy efficiency standards determine the maximum amperage required on the circuit and specify the correct current limiter.**

### INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box (not included).

### FINISH

Satin nickel, white.

### WEIGHT

1.50-2.20 lb./0.68-0.99 kg. ±
