

LINEAR SUSPENSION

Vandor Linear Suspension LED T20

DESCRIPTION

The Vandor linear suspension piece by Tech Lighting features parallel planes of cold rolled steel coated in a matte rubberized paint. Satin Nickel coated end-caps house a recessed LED source that's designed to distribute a significant punch of task lighting onto surfaces below without an uncomfortable glare. The Vandor suspension fixture scales at 50" in length making it ideal for family room lighting, foyer lighting, and a host of residential and commercial lighting applications. Your choice of fully dimmable LED lamping ships with the Vandor saving you both time and money. Includes 49 watts, 3020 net lumen, 3000K LED strip. Dimmable with low-voltage electronic dimmer. Ships with twelve feet of matching cloth cord.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
