

# LINE - VOLTAGE PENDANTS / SUSPENSION

## Vane Grande Pendant

### DESCRIPTION

The Vane Grande pendant light from Tech Lighting takes the ubiquitous metal cylinder and forces it to undergo an intriguing upgrade by introducing an incredibly deep, weathered zinc finish. Its wonderfully imperfect signature texture is naturally created during a meticulous molten aluminum sand casting process that results in a noticeably thick shade which projects a truly iconic spacial impact. The organic, grounded presence this cylindrical pendant light brings to a space makes it ideal for dining room lighting, bedroom lighting and home office lighting. Whether you select the efficient LED lamping or standard incandescent lamping, both options are fully dimmable to create the desired ambiance. Incandescent version includes 39 watt medium base PAR 20 lamp. LED version includes 8 watt, 470 delivered lumen, 3000K, medium base LED PAR 20 lamp. Fixture provided with six feet of field-cutttable cable.

### INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagon electrical box.

### WEIGHT

5.5-5.5lb / 2.49-2.49kg ±

weathered zinc
