

WALL COLLECTION

Wynter Linear Wall LED ADA T20

DESCRIPTION

The Wynter linear light by Tech Lighting features a modern minimalist design that exudes from this versatile and efficient LED wall sconce. A precisely executed acrylic shade provides an incredibly smooth wash of light as it is intentionally interrupted by negative space in the center of the fixture for visual contrast. The Wynter Linear scales at 2 1/2" in width and 24" in length making it an ideal solution for bathroom lighting, hallway lighting and bedroom lighting flanking two end tables. For even further design freedom the Wynter Linear can be mounted vertically, horizontally or as a flush mount on the ceiling. The Wynter Linear is one of three fixtures in the Wynter family, simply search Wynter Linear to find its closest relatives. Your choice of fully dimmable LED lamping ships with this fixture saving you both time and money. Includes 25 watt, 440 net lumen, 3000K LED. Dimmable with low-voltage electronic dimmer. May be mounted horizontally or vertically as a wall sconce, or as a flush mount on the ceiling. Suitable for wet locations. ADA compliant.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).

WEIGHT
