

LINEAR SUSPENSION

Zhane Linear Suspension LED FL T20

DESCRIPTION

The Zhane suspension is ultra-modern in design and boasts hard and soft lines that converge into a simply elegant silhouette. The bottom of this sleek suspension piece features an acrylic diffuser which provides a glare-free wash of light. A highly reflective inner white housing and two high output fluorescent lamps ensures this fixture performs as well as it looks. Scaling at 49" or 38" in length the Zhane is ideal for dining room lighting, conference room lighting and a host of residential and commercial lighting applications. Your choice of fully dimmable LED lamping ships with the Zhane saving you both time and money. A bottom acrylic diffuser provides a glare free wash of light. A highly reflective inner white housing and two high output fluorescent lamps ensure this fixture performs as well as it looks. Offered in two lengths. 38" and 49". The 38" includes two 39 watt, 1800 lumen high output T5 linear fluorescent lamps or 40 watt, 1800 lumen 3000K linear LED strips. The 49" includes two 54 watt, 3730 lumen high output T5 linear fluorescent lamps or 40 watt, 2400 lumen 3000K linear LED strips. Has a maximum drop length of 6 feet. LED Version dimmable with a low-voltage electronic dimmer.

INSTALLATION

This product can mount to either a 4" square electrical box with round plaster ring or an octagonal electrical box (not included).
